Express JS

Ruby

Sinatra

PostgreSQL

EDUCATION

SOFTWARE ENGINEERING IMMERSIVE COURSE

General Assembly Australia
April 2022 - June 2022

PROJECTS

JOB APPLICATION TRACKER

General Assembly Australia | June 2022

- Group project as part of the General Assembly course.
- Collaborated to build an app that allows users to track their job applications & filter applications based on their progress.
- Tech Stack: Javascript, HTML, CSS, PostgreSQL

MOVIE REVIEWS APP

General Assembly Australia | May 2022

- CRUD app project as part of the General Assembly course.
- Built a movie reviews app where users can read, write & edit reviews for movies they've watched.
- Tech Stack: Ruby, Sinatra, PostgreSQL

BASKETBALL TIC-TAC-TOE GAME

General Assembly Australia | April 2022

- Javascript project as part of the General Assembly course.
- Created a basketball version of tic-tac-toe that includes a 5-second timer for each player's turn.
- Tech Stack: Javascript, HTML, CSS

EXPERIENCE

BASKETBALL SKILLS TRAINER

Marcus Adams Basketball | March 2017 - April 2022

- Worked within a team of coaches to organise & host events for large groups of players.
- Interacted with individuals of all ages, ethnicities & backgrounds.
- Liaised with venues to secure locations for events.
- Communicated with coaches, players & parents to provide a consistent feedback loop.
